

Legendary Run Pool Party Requests

General Information

Pool parties are for children. Only one pool party may be conducted at a time. All requests are fulfilled on a first-come, first-served basis.

Pool parties are not permitted on Memorial Day weekend (Saturday, Sunday, Monday), 4th of July, the weekend closest to July 4th, and Labor Day weekend (Friday, Saturday, Sunday, Monday).

The maximum number of children attending a party is twelve (12).

Pool parties cannot exceed three hours in duration. The pool remains open to residents during a pool party. Should inclement weather force the closing of the pool when the pool party is scheduled, the homeowner may select another available date and time.

A pool party is for the use of the pool only. It **DOES NOT** include the Community Center.

There are 3 folding tables and 12 folding chairs for your use during the party. You are responsible for setting them up, cleaning them, and taking them down at the end of the party. You also need to bring trash bags to haul away your party trash. Unfortunately, we do not have the space to take additional trash.

Application Procedure

1. Obtain a Pool Party Reservation Form from one of the lifeguards or on-line from www.legendaryruninfo.com.
2. Fill out the form.
3. Hand the form directly to the lifeguard on duty.
4. The lifeguard will review the entire form with you.
5. The lifeguard will verify that you have not exceeded the maximum number of children (12) and that the party will not exceed three hours.
6. The lifeguard will then check the calendar in the pool information binder. If no one else is scheduled for that date, the lifeguard will write your family's name on that date. Only one party per day is allowed.
7. Provide a check for \$25 made payable to Cincinnati Pool Management
